TK Elevator Corporation ("TK Elevator Corporation," "TK Elevator," "we," "us," and "our"), agrees with Purchaser ("Purchaser," "you," and "your"), to maintain the equipment described below in accordance with the terms and conditions of this agreement ("the Agreement") with the goal of maximizing its performance, safety, and life span. TK Elevator and Purchaser may hereinafter be referred to individually as a "Party" or collectively as the "Parties."

## Covered Equipment

This Agreement covers the units described in the table below (individually a "Unit" or collectively the "Units").

Equipment Type	Nickname	Legal ID	OEM Serial #	Stops	Controller Manufacturer
Residential / Chairlift	East Side Lift	12798	P-6908	2	Concordia

## Scope of Work

### Service Activities

TK Elevator will maintain the Units as follows: (A) examine only the following parts, which will be accomplished either in person or through MAX (as described elsewhere in this Agreement) or any other TK Elevator technology system, and (B) shall adjust and lubricate only the following parts, with (A) and (B) performed as TKE, in its sole opinion, determines as necessary to promote the proper operation of those Units (collectively, "Service Activities"):

All Service Activities will be performed Monday to Friday, 8:00 AM to 3:30 PM except during holidays recognized in the National Elevator Bargaining Association's collective bargaining agreement with the International Union of Elevator Constructors ("Regular Time").

### Parts Repair/Replacement Excluded

Service Activities does not include the repair, refurbishment or replacement of any parts or components of your Unit(s). The repair, refurbishment or replacement of any parts or components of your equipment will be separately billable to you at TK Elevator's standard billing rates including travel time (calculated roundtrip from the dispatching location to the Unit location and return), travel expenses, and time spent on the job, with any overtime work billed at our standard overtime rates.

### Service Activities Include TK Elevator's Maintenance Control Program

TK Elevator performs all work covered by this Agreement in accordance with the version of ASME A17.1 that is, according to the relevant authority having jurisdiction, applicable to the Unit(s) at the time the Agreement is first fully executed by both Parties. Section 8.6 of that code currently requires Unit owners to have a Maintenance Control Program ("MCP"). TK Elevator's MCP meets or exceeds section 8.6 of that code. Our MCP takes into consideration the age and usage of the Unit(s). Our MCP also includes TK Elevator's Maintenance Tasks & Records documentation to record the performance of those tasks. This Agreement does not include any work mandated as a consequence of changes to that code after this Agreement is executed.

### Service Requests Excluded

Any response to any requests for the dispatch of our technician to release any entrapped passengers from a Unit and/or to address adjustments to any parts of a Unit and/or to remove or retrieve items unrelated to the operation of

the Unit(s) from the pit, machine room, or hoistway, regardless of the source of such requests are collectively referred to herein as "Service Requests". Service Requests are not included in this Agreement and you will be separately financially responsible for the cost of all parts or materials along with all labor invoiced at TK Elevator's standard billing rates, whether the Regular Time rate or the overtime rate for any portion of any response occurring outside of Regular Time ("Overtime"). Invoices shall also include travel time (calculated roundtrip from the dispatching location to the Unit location and return), travel expenses, and time spent on the job. Response to any Service Requests may be made from one or more of the following: you or your representative, the building or building's representative, emergency personnel, and/or passengers through the Unit's communication device and/or from any applicable remote monitoring device attached to the Unit if monitored by TK Elevator. Any mention of Service Requests in any other provision of this Agreement is made with the express intention that such Service Requests are excluded from the scope of this Agreement as set forth above and that any activities associated with any Service Requests shall be separately billable to and paid for by Purchaser.

## Testing

### Equipment Testing

This agreement includes only the following tests:

- annual safety tests for the lift Unit(s) covered by this Agreement

Should your Unit(s) require any additional type of equipment testing as required by any applicable law and/or code, we will provide you with a separate written estimate that includes the cost of any associated labor and/or material(s).

Should your Unit(s) require any safety tests as mandated by any applicable law and/or code on the commencement date of this Agreement, TK Elevator assumes no responsibility for the day-to-day operation of the governor or safeties on applicable traction elevators, or the hydraulic system on applicable hydraulic elevators under the terms of this Agreement until the test has been completed and the Unit has passed. Should the respective Unit fail any of those tests, it shall be solely your responsibility to make necessary repairs and place the Unit(s) in a condition that we deem acceptable for further coverage under the terms of this Agreement. Because the performance of any safety test places the Unit under extreme conditions that are outside of the Unit's normal operating parameters, you agree that TK Elevator shall not be liable for any damage to the building structure or the Unit(s) resulting from the performance of any safety tests we perform at any time under this Agreement.

Should your jurisdiction require the presence of either the applicable authority having jurisdiction or a third party witness at the time of testing, you agree to pay for any costs of that individual along with any inspection/coordination fees or any costs incurred by TK Elevator.

### Firefighters' Service Testing

Should your Unit(s) be equipped with a phase I and phase II firefighters' service feature, all testing, record-keeping and record storage obligations associated with that feature that are required by any applicable law or code are expressly excluded from this Agreement and shall remain solely your responsibility to satisfy. The first time that your testing of that feature following the full execution of this Agreement reveals that it is not operating properly, you shall immediately remove the Unit from operation, immediately notify TK Elevator of the condition, and agree to remain responsible for all costs associated with any repairs necessary to return that feature to full and proper operation in accordance with any applicable law or code which will be billed at TK Elevator's standard billing rates (whether Regular Time or Overtime depending on when the repairs are performed) including travel time (calculated roundtrip from the dispatching location to the Unit location and return), travel expenses, and time spent on the job.

## Exclusions

TKE shall not be required to make any changes or recommendations in the existing design or function of the Unit(s) nor will we be obligated to install new attachments or parts upon the equipment as recommended or directed by insurance companies, governmental agencies or authorities, or any other third party.

Should Purchaser elect to modernize any Unit described in this Agreement during the original or any renewal term of this Agreement, Purchaser agrees to provide TK Elevator with the modernization proposals prepared by any other vendor and at least fourteen (14) calendar days thereafter to both evaluate such proposals and, at TK Elevator's sole

option, make its own proposal to Purchaser. Should Purchaser thereafter elect to accept the proposal of another vendor, the Parties agree that the current term of this Agreement applicable to the Units that are the subject of such modernization shall be frozen until the modernization work is complete and TK Elevator has inspected such work and deemed the modernized Unit acceptable for service under the terms of this Agreement. In the event such Unit is not, in TK Elevator's sole opinion, acceptable for service under the terms of this Agreement, TKE will submit a written proposal to Purchaser to address the items in question at an additional cost. Should Purchaser decline that proposal, TKE retains the right to remove the Unit from the Agreement and adjust the price accordingly or cancel the Agreement if the proposal affects all Units that are the subject of the Agreement.

## Digital Customer Experience

### MAX - Digital Maintenance

MAX is a cloud-based Internet of Things ("IOT") platform that we, at our election, may connect to your Unit(s) by installing a remote-monitoring device (a "Device"). Purchaser consents and authorizes TK Elevator to (1) access Purchaser's premises to install a Device to the Unit(s) and thereafter maintain and/or repair the Device(s) (all of which will be separately billed to Purchaser as Service Request as described above) and (2) to collect, store, maintain, own, use, delete, and/or destroy any or all of the data generated by the Device(s) as well as all data collected by the Device(s) and all data sent by the Device(s) to TK Elevator (all such data generated, collected, and/or sent shall be collectively referred to herein as the "MAX Data"). Purchaser agrees that all MAX Data is, and shall be, owned by TK Elevator and agrees to assign and hereby does assign any right, title or interest it may have in such MAX Data to TK Elevator. Any Device, once installed, is not intended, nor should it be considered, as a fixture. Instead, TK Elevator shall retain the right to remove the Device from any Unit(s) and/or cease any data collection and/or analysis at any time at its sole discretion. Moreover, TK Elevator shall retain the exclusive right and ability to, at its sole discretion, remove, delete and/or destroy all associated data generated from the Device(s). Because the Device and the MAX Data contain trade secrets belonging to TK Elevator, Purchaser agrees not to permit Purchaser's own personnel or any third parties to use, access, tamper with, relocate, copy, alter, destroy, disassemble or reverse engineer the Device or the MAX Data and shall treat the MAX Data as confidential information of TK Elevator, including by using no less than reasonable care to protect the confidentiality of such MAX Data. The installation of any Device on a Unit shall not confer any rights or operate as an assignment or license to you of any patents, copyrights or trade secrets with respect to the Device and/or any software contained or embedded therein or that it utilizes/utilized in connection with the collection, monitoring and/or analysis of data.

With a MAX device connected to your equipment, information obtained via machine learning may be sent to our technicians to promote early diagnosis, faster fixes and reduced downtime.

### Customer Web Portal and Mobile App

TK Elevator provides a web-based customer portal (the "CP") and mobile application (the "App") which, following the effective date of this Agreement, may contain certain maintenance and service call data associated with the Unit(s). To the extent applicable, TK Elevator will provide Purchaser with a user name and password to access the CP and App platforms. Purchaser shall, at its sole cost, provide and ensure the functioning integrity of its own hardware, software and internet connection necessary to access the CP and App. To the extent applicable, TK Elevator reserves the right to restrict Purchaser's access to the CP and App if any of Purchaser's accounts with TK Elevator has an outstanding unpaid balance greater than 30 days or in the event of anticipated or pending litigation of any kind. TK Elevator reserves the right to discontinue the CP and App altogether at its sole discretion and without notice to Purchaser and Purchaser expressly agrees to release TK Elevator from any and all claims of any type or kind arising out of or related to that discontinuation.

## Contract Term, Price & Payment

### Term

This Agreement is effective for 60 months starting on the date it is fully executed by both Parties including an authorized manager of TK Elevator and is non-cancellable. To ensure continuous service, this Agreement will be automatically renewed for successive 60-month periods unless either Party timely serves written notice on the other Party of its intention to cancel at least 90-Days but not more than 120 days before the end of the initial 60-month period or at least 90-Days before the end of any subsequent 60-month renewal period. Notice shall be sent by certified mail, return receipt requested to the TK Elevator office address found in this Agreement. Time is of the essence.

## Price

The price for the Agreement shall be \$83.91 per month, inclusive of all applicable sales and use taxes, payable annually in advance.

The price of this Agreement contemplates that each Unit covered under this Agreement will make no more than 37,000 trips, defined as passenger-initiated travel of the Unit between two (2) to ten (10) landings as determined by TK Elevator, within any six (6) month period. In the event that any Unit covered by this Agreement makes more than 37,000 trips within any six (6) month period during the term of this Agreement then Purchaser agrees to pay TK Elevator an additional fee equal to 2% to the monthly billing amount during the following six (6) month period for each such Unit which will appear as a separate line item on any applicable invoice or on a separate invoice altogether.

The price of this Agreement does not include any value added taxes, tariffs, duties or similar assessments imposed on TK Elevator for any parts and/or components replaced under this Agreement or for the related increase in the cost of such parts and/or components charged by their suppliers (collectively, the "Additional Costs"). In the event any such Additional Costs are incurred by TK Elevator, TK Elevator shall provide Purchaser reasonable written notice that such Additional Costs will be invoiced to the Purchaser on the next invoice sent by TK Elevator and Purchaser agrees to pay, such Additional Costs, together with TK Elevator's profit and overhead associated with those amounts, all in addition to the price of this Agreement.

We reserve the right to semi-annually increase all charges under this Agreement five percent plus an additional amount resulting from any increase of any of TK Elevator's expenses relating to one or more of the following categories during the preceding calendar year: labor, employment benefits, materials, tools, vehicles, fuel, rent, internet and/or communication access, data storage, utilities, logistics/shipping, waste disposal, taxes, tariffs, and any governmentally-imposed charges.

## Payment

Payments are due upon receipt of each of your TK Elevator invoices. Any payments by credit card shall be subject to a 3% credit card fee. If you do not timely pay any sum due to TK Elevator related to your Unit(s) described in this Agreement, regardless of whether it is billed pursuant to this Agreement or any other agreement with us, within the stipulated payment term calculated from the billing date, we may also choose to do one or more of the following:

- suspend all services until all amounts due have been paid in full, and/or
- declare all sums for the unexpired term of this Agreement due immediately as liquidated damages which the Parties agree are a good faith estimate of TK Elevator's damages and not a penalty and terminate our obligations under this Agreement

A service charge of the highest rate allowed by law shall apply to all overdue accounts you have with TK Elevator that are in any way related to any of the Unit(s) described in this Agreement. If TK Elevator elects to suspend service, we shall not be responsible for personal injury, death, damage to property (including damage to the Unit(s)) or losses of any other type or kind that is in any way related to TK Elevator's suspension of service. Upon resumption of service, you will be responsible for payment to TK Elevator for all costs we incur that result from our suspension of service and to remedy any damage caused to your equipment during that time. Time is of the essence.

All invoices generated in connection with services performed under this Agreement shall be delivered to Purchaser electronically. It shall solely be Purchaser's responsibility to ensure that TK Elevator, at all times, has been provided with accurate Purchaser contact information in order to successfully deliver such invoices. TK Elevator reserves the right to apply any overpayments it receives from Purchaser to any open invoices issued in connection with the subject matter of this Agreement regardless of whether or not the invoices were generated in connection with this Agreement or with any other contract, agreement, or work order between the parties.

TK Elevator reserves the right to assign payments owed to TK Elevator under this Agreement. If for any reason this Agreement is terminated prior to the end of the current term, a condition of such termination shall be that you agree to pay us the full amount of the any discount you received during the initial and any subsequent term. This is in addition to and not in lieu of any other rights or remedies we may have under this Agreement and the law.

## Purchaser's Responsibilities

You agree to instruct or warn passengers in the proper use of the Unit(s) and to keep them under continued surveillance by competent personnel to detect irregularities between our examinations. You agree to immediately report any condition that may indicate the need for correction before the next regular examination. You agree to immediately shut down the Unit(s) upon manifestation of any irregularities in either the operation or the appearance of the Unit(s), to immediately place a Service Request, and to keep the Unit(s) shut down until the completion of any repairs that are the subject of that Service Request or a separate written estimate provided by us. Under those circumstances you agree not to re-set the mainline disconnect. In the event of a Service Request where our technician finds that the mainline disconnect has been reset, you agree that you will be responsible for all labor costs associated with that Service Request invoiced at TK Elevator's standard billing rates (whether Regular Time or Overtime depending on when we respond to that Service Request) including travel time (calculated roundtrip from the dispatching location to the Unit location and return), travel expenses, and time spent on the job. In the event of a passenger entrapment, you agree to call TK Elevator immediately and, absent a medical emergency, wait for a TK Elevator technician to release the passenger(s). You agree to separately pay TK Elevator to repair or replace any parts of the Unit(s) damages in connection with your failure to do so. You agree that your employees, agents and/or contractors shall not attempt to release or extricate any entrapped passenger(s) from the Unit(s) in light of the life safety risks such attempts create. You agree to give us immediate verbal notice and written notice within ten (10) days after any occurrence or accident in or about the Unit(s) involving personal injury or property damage and that you will be solely responsible for preserving any parts that are replaced after such occurrence or accident. You agree to provide our personnel with a safe place to work. You agree to provide a suitable machine room, including secured doors, waterproofing, lighting, ventilation, and appropriate air temperature control to maintain that room at a temperature between 50°F and 90°F, with relative humidity less than 95% non-condensing at all times. You agree to provide properly maintained and functioning mainline disconnect(s). You agree to maintain the elevator pit in a dry condition at all times. Should water or other liquids become present, you are responsible for the cost associated with the removal and the proper handling of such liquids. You agree that if TK Elevator's inspection of a Unit serviced under this Agreement reveals an operational problem which, in TK Elevator's sole judgment, jeopardizes the safety of the riding public, TK Elevator may shut down the Unit. In that instance, we will provide you with a separate written proposal at an additional cost to cover any necessary repairs and you agree to leave the affected Unit shut down until such time as you have agreed to TK Elevator's separate written proposal and the repairs described therein have been completed and the operational problem is resolved.

TK Elevator assumes no responsibility for any part of the Unit(s) except that upon which work has been performed under this Agreement. No work, service, examination or liability on the part of TK Elevator other than that specifically mentioned herein is included or intended. It is agreed that TK Elevator does not assume possession or control of any part of the Unit(s) and that such remains Purchaser's exclusively as owner, lessor, lessee, possessor, or manager thereof.

We reserve the right to discontinue work in the building whenever, in our sole opinion, our personnel do not have a safe place to work. For safety reasons, you agree not to permit others to make alterations, additions, adjustments, or repairs or replace any component or part of the Unit(s) during the term of this Agreement.

Upon the commencement of this Agreement and as a condition of TK Elevator's performance of its obligations, Purchaser shall provide any wiring diagrams, manuals, special tools, monitoring devices, software, hardware or any other items designed to work with, diagnose, service, or repair the Unit(s) (1) as originally supplied by the OEM with the installation or (2) solely available to Purchaser from the OEM.

Some equipment covered by this Agreement may be encoded with serialized onboard diagnostics or other closely held diagnostic intelligence. In the event that the cause of a shutdown or other equipment issue cannot be diagnosed and/or resolved without enlisting the OEM's assistance in connection with a Service Request, Purchaser agrees to obtain the assistance of the OEM and any resulting costs or fees shall be exclusively the Purchaser's responsibility.

Since TK Elevator's top priority is the satisfaction of its customers, if you should have any concern(s) with our performance or the means and methods used to meet our obligations under this Agreement, you agree to provide us with written notice of that concern and give us thirty (30) days to respond either in writing or commence action to appropriately resolve it.

In the event of the sale, lease or other transfer of the ownership of the premises in which the Unit(s) described herein are located, you agree to see that such transferee is made aware of this Agreement and agrees to assume and/or be bound by the conditions hereof for the balance of the unexpired term of this Agreement. Should the transferee fail to

This Agreement expressly excludes any materials, labor and/or services involving or related to either the monitoring of or provision of a response to any communications initiated from any Communication Equipment installed within the Unit(s) and Purchaser remains solely responsible for contracting with a separate vendor to monitor and respond to such communications in accordance with all applicable codes, statutes and/or laws absent its inclusion elsewhere in this Agreement of any later amendment.

You expressly agree to release and discharge us and our employees for any and all claims and/or losses of any type or kind (including but not limited to personal injury, death and property damage, specifically including damage to the property which is the subject matter of this Agreement) (1) associated with any components excluded in this Agreement or (2) associated with any Billable Work or (3) caused in whole or in part by reason(s) outside of our control. TK Elevator shall also automatically receive an extension of time commensurate with any delay in performance caused by or related to the aforementioned.

TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, TK ELEVATOR EXPRESSLY DISCLAIMS ALL WARRANTIES, WHETHER EXPRESS, IMPLIED, STATUTORY OR OTHERWISE WITH RESPECT TO ANY OR ALL OF THE PARTS, PLATFORMS (INCLUDING BUT NOT LIMITED TO CP, APP AND MAX) AND/OR SERVICES CONTEMPLATED BY THIS AGREEMENT INCLUDING ALL IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, TITLE AND NON-INFRINGEMENT, AND WARRANTIES THAT MAY ARISE OUT OF COURSE OF DEALING, COURSE OF PERFORMANCE, USAGE OR TRADE PRACTICE. WITHOUT LIMITATION TO THE FOREGOING, TK ELEVATOR PROVIDES NO WARRANTY OR UNDERTAKING, AND MAKES NO REPRESENTATION OF ANY KIND THAT THE PARTS, PLATFORMS AND/OR SERVICES CONTEMPLATED BY THIS AGREEMENT WILL BE ACCESSIBLE TO CUSTOMER, ACHIEVES ANY INTENDED RESULTS, MEETS CUSTOMER'S REQUIREMENTS, OPERATES WITHOUT INTERRUPTION, MEETS ANY PERFORMANCE OR RELIABILITY STANDARDS OR BE ERROR FREE OR THAT ANY ERRORS OR DEFECTS CAN OR WILL BE CORRECTED. In consideration of TK Elevator performing the services herein specified, you expressly agree, to the fullest extent permitted by law, to indemnify, defend, save harmless, discharge, release and forever acquit TK Elevator, our employees, officers, agents, affiliates, and subsidiaries from and against any and all claims, demands, suits, and proceedings brought against TK Elevator, our employees, officers, agents, affiliates and subsidiaries for loss, property damage (including damage to the Unit(s) which are the subject matter of this Agreement), personal injury or death that are alleged to have been caused by the Purchaser or any others in connection with the presence, use, misuse, maintenance, installation, removal, manufacture, design, operation or condition of the Unit(s) covered by this Agreement, or the associated areas surrounding such equipment. Your duty to indemnify does not apply to the extent that the loss, property damage (including damage to the equipment which is the subject matter of this Agreement), personal injury or death is determined to be caused by or resulting from the negligence of TK Elevator and/or our employees. You recognize that your duty to defend TK Elevator under this clause is broader than your duty to indemnify and includes payment of all attorney's fees, court costs, judgments, settlements, interest and any other expenses of litigation arising out of such claims or lawsuits.

You expressly agree to name TK Elevator along with its officers, agents, affiliates and subsidiaries as additional insureds in your liability and any excess (umbrella) liability insurance policy(ies). Such insurance must insure TK Elevator, along with its officers, agents, affiliates and subsidiaries for those claims and/or losses referenced in the above paragraph, and for claims and/or or losses arising from the sole negligence or responsibility of TK Elevator and/or its officers, agents, affiliates and subsidiaries. Such insurance must specify that its coverage is primary and non-contributory. You hereby waive the right of subrogation.

In no event shall TK Elevator's liability for damages arising out of this Agreement exceed the remaining unpaid installments of the current, unexpired term of this Agreement.
